- Ordinary profit (right axis)

\* In connection with the revision of reportable segments, the data presented was retrospectively modified for the segments after the revision for the period from the fiscal year ended March 31, 2017 to the fiscal year ended March 31, 2021.

**Business topics**

- Established in 1978 as a company that takes on a sales finance function for NEC products.** Steadily growing our transaction volume centered on the leasing of NEC products, we settled into a role as a manufacturer affiliated leasing company.
- Pursued our growth potential and distinctive character on the occasion of listing on the Tokyo Stock Exchange.** Accumulated our ICT expertise by advancing our unique efforts, such as the diversification of products we handled and the life cycle management service of ICT equipment.
- Expanded our efforts for financial services with the aim of shifting to higher value-added business, and changed the company name to NEC Capital Solutions.** Enhanced solutions to a broad range of sophisticated finance by promoting multifaceted business activities, including the conversion of RISA Partners into a subsidiary.
- Developed a Group Vision in 2013 that expresses what we aspire to be in 10 years.** We have been aiming to achieve CSV management that solves societal issues through our business by providing services that combine the strengths of the Group.
- Since formulating the Group Vision 2030 in April 2023, we have been practicing CSV management with the aim of realizing a next-generation circular economy.**
- Joined the SBI Shinsei Bank Group in October 2024.** We will promote transformation toward realizing sustainable growth by making the most use of the SBI Group’s customer base, financial ecosystem, and pioneering functions.
